

During the conference, representatives from Dstl will be running a series of presentations and product demonstrations in the Harris Room on level 1 of the EICC.

Thursday 13th July

- 09:15 MOD's scientific reports collection and our information products and services
- 10:30 Demonstration of MOD's Defence Research Database
- 13:00 An introduction to the literature search and analysis service
- 14:45 Efficient capture, storage and retrieval of electronic full-text
- 15:00 Demonstration of MOD's Defence Research Database

These presentations and demonstrations are intended to provide an overview of the various information products and services that are available, and how they can help you plan and manage your research activities.

Friday 14th July

- 08:30 MOD's scientific reports collection and our information products and services
- 10:30 Demonstration of MOD's Defence Research Database
- 12:15 An introduction to the literature search and analysis service
- 12:30 Efficient capture, storage and retrieval of electronic full-text
- 14:15 Demonstration of MOD's Defence Research Database

Representatives will be available throughout the conference at Stand 8 in the Cromdale Hall and in the Harris Room to answer any questions.
