Joint Annual Technical Conferences:
Electro-Magnetic Remote Sensing Defence Technology Centre (DTC) &
Systems Engineering for Autonomous Systems Defence Technology Centre (DTC)
Edinburgh International Conference Centre
Tuesday 10th and Wednesday 11th July 2007

On Tuesday 10th and Wednesday 11th July 2007 the EMRS and SEAS DTCs will be jointly holding their Annual Technical Conferences at which the work of two DTCs will be disseminated. The conferences will be held at the Edinburgh International Conference Centre and will run in parallel. The conferences will share common ticketing and organisation. Delegates will be able to move freely between the sessions of the two conferences choosing from technical papers, poster displays and technology demonstrations. In addition to the presentation of the research programmes of the DTCs, the conferences will include a joint exhibition, a joint networking reception and an optional conference dinner on the evening of Tuesday 10th July. The event is being sponsored by Scottish Enterprise.

The conferences should be attended by:

- potential exploiters of EMRS or SEAS DTC funded research
- potential providers of research to the EMRS or SEAS DTC programmes
- the broad military and civil Electro-Magnetic Remote Sensing communities
- the Autonomous Systems and Systems Engineering communities

Enclosed with this letter is a brochure for each DTC showing its conference agenda, together with a common booking form. Please note that the closing date for registration is Friday 30th June 2007. Please note that early booking discounts are available and early booking of accommodation is also strongly recommended.

The booking agents for the conferences are the EICC who are pleased to offer on-line registration, in addition to facsimile and postal bookings. All major credit cards, including American Express, are accepted.
