Defence Technology Centres (DTCs) : Joint Annual Technical Conferences
Edinburgh International Conference Centre, 10 and 11 July 2007

Defence Technology Centres are a key research initiative of the UK MoD and hold annual technical conferences to disseminate their outputs. Ahead of the joint technical conferences of the EMRS and SEAS DTCs we are writing to all registered delegates, exhibitors and dinner guests to make them aware of the conference arrangements and to provide other useful pointers to help you make the most of your visit to Edinburgh.

Sent with this letter is a set of joining instructions, comprising :

- Ø Section 1: Travel / Maps
- Ø Section 2: The Conference Centre
- Ø Section 3: Registration
- Ø Section 4: Conference Agendas
- Ø Section 5: Conference Exhibition
- Ø Section 6: Conference Dinner
- Ø Section 7: MoD Technology Management Workshops
- Ø Section 8: What to do in Edinburgh

Please note that, given recent weather, it may be wise to pack a small umbrella !

The EMRS and SEAS DTCs are delighted to welcome you to Edinburgh on 10 and 11 July 2007 for our annual conferences. We do hope that you find value in the conferences and enjoy your stay in Edinburgh. We gratefully acknowledge the sponsorship of Scottish Enterprise for this year's conference.

Yours sincerely,

Neil Whitehall
