**Defence Technology Centres (DTCs) : Joint Annual Technical Conferences**  
**Electro-Magnetic Remote Sensing DTC & Systems Engineering for Autonomous Systems DTC**  
**Edinburgh International Conference Centre, Tuesday 24<sup>th</sup> and Wednesday 25<sup>th</sup> June 2008**

On Tuesday 24<sup>th</sup> and Wednesday 25<sup>th</sup> June 2008 the EMRS and SEAS DTCs will be holding their Annual Technical Conferences at which the work of two DTCs will be disseminated. The conferences will be held at the Edinburgh International Conference Centre (EICC) and will run in parallel, sharing common ticketing and organisation. Delegates will be able to move freely between the sessions of the two conferences, choosing from technical papers, poster displays and technology demonstrations. In addition to the presentation of the research programmes of the DTCs, the conferences will include a joint exhibition, a joint networking reception and an optional conference dinner on the evening of Tuesday 24<sup>th</sup> June. The event is being sponsored by Scottish Enterprise.

The conferences are aimed at:

- potential exploiters of EMRS or SEAS DTC funded research
- potential providers of research to the EMRS or SEAS DTC programmes
- the broad military and civil Electro-Magnetic Remote Sensing communities
- the Autonomous Systems and Systems Engineering communities

Enclosed with this letter is a brochure for each DTC showing the conference agenda. Please note that the closing date for registration is Friday 13<sup>th</sup> June 2008. Moreover, note that early booking discounts are available and early booking of accommodation is also strongly recommended.

The booking agents for the conferences are the EICC. All bookings this year will be via the conference web-site: [www.emrstdtc.com/conferences.htm](http://www.emrstdtc.com/conferences.htm). All major credit cards, including American Express, are accepted.
