Defence Technology Centres (DTCs) : Joint Annual Technical Conferences

Joining Instructions

Edinburgh International Conference Centre, 24 and 25 June 2008

Defence Technology Centres are a key research initiative of the UK MoD and hold annual technical conferences to disseminate their research output. Ahead of the joint technical conferences of the EMRS and SEAS DTCs we are writing to all registered delegates, exhibitors and dinner guests to make them aware of the conference arrangements and to provide other useful pointers to help you make the most of your visit to Edinburgh.

Sent with this letter is a set of joining instructions, comprising :

- Section 1: Travel / Maps
- Section 2: The Conference Centre
- Section 3: Registration
- Section 4: Conference Agendas
- Section 5: Conference Exhibition
- Section 6: Conference Dinner
- Section 7: Centre for Defence Enterprise
- Section 8: What to do in Edinburgh

The EMRS and SEAS DTCs are delighted to welcome you to Edinburgh on 24th and 25th June 2008 for our annual conferences. We do hope that you find value in the conferences and enjoy your stay in Edinburgh. We would like to gratefully acknowledge the role of Scottish Enterprise for their role as main sponsor for this year's conference. Moreover, we would like to thank BAE SYSTEMS Plc, Selex Galileo, MBDA UK, Roke Manor Research Ltd, Rolls Royce Plc and Thales UK in their role as supporting sponsors. Lastly, we would like to thank our exhibitors, many of whom have supported this event over multiple years during its growth and development to its current position as the largest annual defence science conference in the UK.

Given the unpredictable nature of our weather, it may be wise to pack a small umbrella!

Yours sincerely,

Neil Whitehall
EMRS DTC Operations Director

Tim Doggart
SEAS DTC Programme Manager
