The EMRS and SEAS DTCs are delighted to welcome you to Edinburgh on 7th and 8th July 2009 for our annual conferences. We do hope that you find value in the conferences and enjoy your stay in Edinburgh. We would like to gratefully acknowledge the role of Scottish Enterprise for their role as main sponsor for this year's conference. Moreover, we would like to thank BAE SYSTEMS Plc, Selex Galileo, the UK Aerospace & Defence KTN, Roke Manor Research Ltd and MBDA UK in their role as supporting sponsors. Lastly, we would like to thank our exhibitors, many of whom have supported this event over multiple years during its growth and development to its current position as the largest annual defence science conference in the UK.

The weather forecast is for it to be cool and showery, it may be wise to pack a small umbrella!
